Wireless Optical Combo

X1800

This wireless combo, comprising a keyboard and optical mouse, transmits using the proven 2.4 GHz standard, which offers a range of up to 10 m while providing 360° coverage. Furthermore the design and the choice of materials protect the keyboard against splash-damage, allowing you to enjoy a refreshing beverage while you work without taking too much of a risk. The high-performance 1000 DPI optical sensor offers you smooth and accurate mouse-pointer control, while the symmetrical design allows for ambidextrous use.
